Club

We are grateful to the many generous members of our community whose philanthropic support makes a difference in the health of our community. A recent example of the power of our collaborative efforts is the Meehan Family Pavilion, Milford Regional's largest expansion to-date. The new 78,000 square-foot addition includes an expanded modern emergency department, state-of-the-art intensive care unit, and 24-bed private patient room unit.

Thank you remarks & beneficiary update

- **Due to the continued popularity of the Golf Classic, player spots are only available through sponsorship.** Sponsorships (and accompanying player spots) are assigned on a first-come, first-served basis.
- **A signed sponsorship pledge form must be received in order to be considered a sponsor.** Forms can be sent via email attachment, fax or postal mail. Sponsorships cannot be reserved via verbal or emailed interest without inclusion of the signed form.
- **Please be sure to provide the name, email address and phone number for the person serving as the main contact so we can ensure proper communication.** Because contact information can change, please do not assume that your updated information is on file. Forms without this information may be delayed in processing.
- **While payment prior to event is greatly preferred, all sponsorship payments are due within 30 days after the tournament** (Applicable campaign-related payment plan sponsorships excluded). Payment by check is preferred; however credit card payments will be accepted.
- **Should there be a waitlist,** paid-in-full sponsorships (and campaign-related payment plans) will receive priority.
- **Sponsors will receive a confirmation email** shortly after the sponsorship form has been received.
- **Please note that starting hole preference is now a benefit for Platinum and Gold sponsors only.**
