

# Making a Difference at Milford Regional

## Who is the Auxiliary?

The Milford Regional Medical Center Auxiliary is a group of volunteers that conducts its activities in support of and in partnership with MRMC, a regional full-service community and teaching hospital providing exceptional patient care to the 20-plus towns throughout our community.

## Our Mission

The mission of the Auxiliary is to provide the hospital, its patients and community, support through services, programs, purchase of clinical equipment, and to provide funding for hospital expansions and renovations. We accomplish this through numerous yearly fundraising events.

## Membership

New members are welcome at our monthly meetings, held the second Tuesday of each month September through June. The Auxiliary is a great way to meet new people and become involved in the local community. You could be a part of the exciting future of Milford Regional Medical Center.

To learn more about us, our history, how we support the hospital, our numerous accomplishments and future planned events, please call 508-422-2228 or email us at [MRMC-Auxiliary@milreg.org](mailto:MRMC-Auxiliary@milreg.org). Additional information can be found on the Milford Regional Healthcare Foundation website at [foundation.milfordregional.org](http://foundation.milfordregional.org).
